In With a Prayer

John Cousins, Senior Land Buying Director, will today complete a speculative purchase of 2.5 acres of land without planning permission at St Margaret's Convent, St John's Road, close to East Grinstead town centre.

Fairview will propose a development of 61 one and two-bedroom apartments overlooking the Grade 1 listed convent at an overall development cost of £9m. Subject to permissions, construction could begin next autumn.

FPD Savills (Sevenoaks) acted for the vendor, the trustees of the Society of St Margaret.
